

# JALEOCTANE 2.7 INSTALLATION AND SETUP GUIDE

## TABLE OF CONTENTS

I.	OVERVIEW .....	4
II.	REQUIRED HARDWARE AND SOFTWARE .....	5
II.1	Hardware Requirements .....	5
II.2	Required Software .....	5
II.3	Storage considerations.....	6
II.3.1	Storage Utilization .....	7
II.3.2	Configurations .....	7
III.	INSTALLATION .....	8
III.1	Operating System (re-) Installation .....	9
III.1.1	STEP 1: basic operating system installation.....	9
III.1.2	STEP 2: networking the system.....	15
III.1.3	STEP 3: installation of SGI patch 2105.....	16
III.1.4	STEP 4: installation of the SGI September 1997 Recommended Patch Set ...	18
III.2	Additional Machine Configuration.....	24
III.2.1	Setting up extra swap space .....	24
III.2.2	Installing a Wacom Tablet Driver .....	25
III.2.3	Configuring a 24 inch Monitor for use with Jaleo.....	31
III.3	Disk Array Setup .....	32
III.3.1	Some general information.....	32
III.3.2	Hardware setup .....	32
III.3.3	Logical volume setup.....	35
III.3.4	Mounting the disk array and configuring Jaleo .....	40
III.3.5	Testing the XFS Volume for Throughput.....	41
III.4	Jaleo for Octane Software Installation .....	42
III.4.1	The Jaleo Software Installation .....	42
III.4.2	Some remarks about using remotely mounted CD-ROM drives.....	47
IV.	CONFIGURATION OF THE JALEO SOFTWARE .....	49
IV.1	Installing a License for your Jaleo for Octane software.....	49
IV.1.1	Installation of the license .....	49
IV.1.2	Solving license conflicts .....	50
IV.1.3	Setting the Correct StartUp Image.....	52
IV.1.4	The main Jaleo Configuration File: .jaleorc .....	52
IV.1.5	The Video Control Panel setup.....	55
IV.1.6	The Audio Control Panel setup.....	57
IV.1.7	Starting and Stopping the Jaleo Software .....	59
IV.2	RtVideo Setup .....	60
IV.2.1	Important Setup Note.....	60
IV.2.2	Basic Configuration for RtVideo.....	63
IV.2.3	Setup Menu .....	63
IV.2.4	Audio Setup .....	67

V.	AFTER THE INSTALLATION AND CONFIGURATION.....	71
VI.	UTILITIES .....	72
VI.1	Disk Utilities.....	72
VI.2	Audio Utilities .....	73
VI.3	Miscellaneous Utilities .....	79
VII.	DIAGNOSTICS .....	80
VII.1	The jDiagnostics Tool .....	80
VII.2	Output of chkconfig for JEVA .....	81
